

Camalot

Dispensing systems for surface mount and chip packaging & assembly applications. Underfill, adhesives, encapsulants and solder paste.

MPM

Stencil printers, advanced, fully automatic, high volume optically aligned printers

Electrovert

Reflow ovens: Energy efficient with intelligent flux control & reduced nitrogen consumption.

Inline Cleaners: Patented pump & nozzle technology, complete with enhanced drying by air knife and the Electrovert "torrid" zone.

Wave soldering systems: UltraFill nozzles for low defect, lead free soldering. Servo spray fluxing for complete & uniform flux penetration

Juki is the world's leading SMT placement company with over 20,000 machines installed worldwide. Standard 3 year parts warranty with every machine sold. Juki machines have the **lowest cost of ownership** in the industry.

www.jas-smt.com

JOT Automation

AOI systems for post print , pre & post reflow with 2D & 3D inspection capabilities.

www.vitechnology.com

Automation, test and manufacturing equipment. Material processing & handling, in a standard or customer specific configuration.

www.jotautomation.com

Spray coating equipment based on a proprietary ultrasonic spray coating technology. Applications include conformal coating, fuel cell and solar panel manufacturing. www.ultraspray.com

YXLON / Fein Focus

X-ray inspection systems, and industrial Computed Tomography (CT) solutions for the non-destructive testing of circuit boards and industrial components / materials (NDT). www.yxlon.com/microfocus

South-Tek Systems is a Nitrogen Generator manufacturer, designing and producing Nitrogen generating systems for worldwide distribution.

JNJ Industries

- Understencil wiper paper / blades & holders, for MPM, Dek, Ekra, printers. Regular or Lead Free.
- Saturated wipes,
- Dry wipes,
- Ultrasonic cleaning equipment and cleaning chemistries for PC boards.

www.jnj-industries.com

MG Chemicals

- Adhesives,
- Conformal coating,
- Potting / encapsulants,
- Cleaners / degreasers,
- Isopropyl Alcohol,
- RTV Silicones,
- Threadlockers,
- Flux remover, brushes, swabs,
- Lead free solder, desoldering braid,

www.mgchemicals.com

Xuron Corp.

- Manufacturers of ergonomic electronics-grade hand tools
- Pliers & forming tools,
- Shears,
- Adjustable wire strippers,
- Micro-Pneumatic series tools,
- Tool kits,
- Tweezers,

www.xuron.com

- IAC manufactures the most modular and flexible workstations available. Single sided or double sided configurations, are available with footrests, shelving & accessories, customizable to the personal comfort of the operator with maximum efficiency & ergonomics.

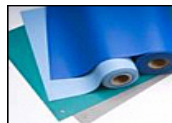

www.iacindustries.com

Dr Storage

- Dr. Storage offers the most diverse selections of Dry Cabinet in the industry. The latest Dr. Storage offer plug and play heater elements for drying component at 40°C and ≤5% RH (J-STD-033B)

ACL Staticide

- antistatic mats
- meters for static control
- static floor finishes
- workstation products

www.aclstaticide.com

Filtronic

- Premium filter systems made in Sweden
- Filtronic offers vacuum filter systems for electronic and laboratory work environments.
